

Solutions for Today's Facility Maintenance Professional

BUILDING SERVICES MANAGEMENT

2023 MEDIA GUIDE

Building Services Management's print and digital readership consists of over 55,000 of the most active building service contractors, facility maintenance managers, building owners and property managers. They have responsibilities requiring them to make purchasing decisions on a daily basis. With a whole-building approach, we offer techniques and technologies to increase productivity and efficiency, while emphasizing environmental sustainability.

EDITORIAL CONTENT

FEATURE FOCUS

Each month **Building Services Management** will feature a topic or issue that is timely and specific to the building services industry. In order to enhance the relevance of the information presented, we will seek input and opinions from maintenance professionals and other industry experts.

SPECIAL REPORT

In this column we will explore different aspects of a specific issue of importance to the industry.

SHOWCASE

This section consists of timely issues affecting today's facility managers, such as meeting environmental, health and safety standards and compliance with other state and federal workplace regulations.

FACILITY OPERATIONS

The most up to date equipment and technology that make up a building's core and the multiple disciplines that ensure functionality of the building environment.

SPOTLIGHT

Highlighting the various new methods, techniques, equipment and tips used by today's industry professionals to make their operations more effective and productive.
